

Forest Town Primary School

PE Knowledge Progression Grid

Kind
Adventurous
Persevere
Responsible
Independent
Together

At Forest Town, we are athletes! We want all children to experience PE learning that is positive and motivating. We want our pupils to have the opportunity to succeed and excel in competitive sport and physical activities. We will create a positive and engaging learning environment that motivates students to explore different physical activities. By providing a strong foundation in physical education, we will help our pupils to develop the skills and confidence they need to succeed in life. Through our focused curriculum we hope to instil a love for physical activity that will fuel their health and happiness for years to come.

At the end of KS2, a Forest Town child will have:

- The knowledge and skills to improve their **independent** ability and personal best.
- The **kindness** to demonstrate the key values of sportsmanship, fairness and respect when taking part in sporting activities.
- Opportunities to work **together** as part of a team both within school and through competitive experiences.
- Shown that they are **adventurous** by taking part in a wide range of sporting activities.
- The ability to **persevere** and know that even when we fall, we can rise again, stronger and more determined than before.
- An understanding of their **responsibility** to lead a physically healthy and happy life.
